Hi Jennifer and Rezhe'--
Ken and I want to thank you for the work you did to help line up Winthrop. As Rezhe' knows, the class there on 11/20 was unexpectedly successful. We had 11 in attendance, including Kunle, whose diminished presence made for what we were told was a new dynamic in that co-op. The 10 people in attendance in person were quite animated in their discussion with the class material. It was great!

We know you both did a super amount of hustling to make them available at the last minute. Without a group to train on the penultimate night of Training for Trainers, we can't have the T4T at all!

Thanks so much, again. Great to meet you Rezhe'!
